We welcome you into the Pro Shop. No masks are required inside shop. The check-in process will continue as follows: a tee host concierge will be available the majority of the time outside of the pro shop to assist you with check in. Our Tee Host will be on the tee to get you started on time.

GOLF CART POLICY

The Views Golf Club golf cart policy is two players per golf cart. Single players should be prepared to share a Views Club cart. We pair golfers up to share a golf cart according to starting times booked. Cart rental is a per seat charge.

Due to the lack of availability of golf carts, we cannot provide single rider golf carts. You may consider walking or renting one of our four single-rider scooters. However, please do not book a tee time if you are uncomfortable riding with someone else in a cart.

If you have a private golf cart, you may continue to ride as a single. However, we encourage you to partner up for less wear and tear on the golf course. Only two carts will be allowed in the fairway or rough at any given time. Any additional carts in the group must always remain on the cart path the entire hole.

If you have less than four players and would like no one else to be paired with your group, you are welcome to pay for the entire foursome at the public rate to reserve the space.

It is also the person's responsibility to book the starting time to fully communicate these procedures to all golfers in their group in advance before arriving at The Views Golf Club.

Lesson Tee

ETIQUETTE ON THE GOLF COURSE

All golfers should do their part to make a round of golf a pleasant experience for everyone at The Views Golf Club. Each player is expected to observe the rules and etiquette of golf while on the course. These are listed in the USGA Rules of Golf. Please show consideration to your fellow golfers while playing at The Views Golf Club.

Play ready golf. Anticipate the club or clubs you may need and go directly to your ball. Always be near your ball to play promptly when it is your turn. If a player is delayed in making his or her shot, it would be courteous for such player to indicate to another player to play which should not be deemed playing out of turn.

Players are required to play at a good pace as outlined in the Rules - Pace of Play. When approaching a green, park your golf cart on the cart path on the best direct line to the next tee in order to save time. Never leave the golf cart in front of the green where you will have to retrace your steps to get it while the following players wait for you to move on. When play of a hole is completed, leave the green promptly and proceed to the next tee without delay. Record the scoring for the completed hole while the others in your group are playing from the next tee.

The player assistant staff will report slow play and all breaches of golf etiquette to the pro shop. Appropriate action will be taken by the player assistant and golf staff personnel.

All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship always. This is the spirit of the game of golf.

Players should not play until the players in front are out of range.

When entering and leaving bunkers, avoid climbing the steepest parts of the bunker. Before leaving a bunker, a player should carefully rake and smooth over all holes and footprints and leaving the rake in the bunker with the handle outside the bunker.

Players should repair ball marks and fill divots with sand that is located on their golf cart. Place litter in trash bins; including food remains, cigarette butts, peanut and seed shells.

Listening to music during your recreational golf round is welcomed. Please use headphones when near other golfers and at the practice facilities. When on the course,

you can listen to music without headphones if the volume is such that no others on the course can hear it. Please respect other players by not letting it be heard by those outside of your party.

The proper golf attire is required to play and practice. Golfers and spectators must wear proper attire on the golf course, short game practice facility, putting green and the driving range. Proper attire is based on the current golf fashion.

We invite you attend one of our weekly clinics on Tuesdays or Wednesdays or take a private lesson for further help with your full swing and short game.
