

**NOVEMBER 2021**

## **Message from the Director of Golf**

***Rick Price, PGA***

The men's and women's golf club associations are in full swing now. For information about joining any of the clubs, you can go to [www.theviewsgolfclub.com](http://www.theviewsgolfclub.com) and click on join then leagues to get further information.

The Annual Pro-Member Invitational is on Monday, November 15. We invite one professional and an amateur from another golf club to join two of our members or residents. For more information and registration, check with the Pro Shop.

Our golf cart policy is two golf carts per group. Any additional carts in the group will need to remain on the cart path. Only two carts will be allowed in the fairway or rough at a time. Please follow cart signs and keep all four tires on the path around the tees and greens. If you have any questions, contact the pro shop or read the monthly Tee to Green newsletter.

Visit the Pro Shop or our website for more information about participating in our fun club activities like Chip & Putt on Thursday afternoons. Also, don't forget every Friday and Saturday, starting in November we have the Barbeque Grille at the turn between hole nine green and the tenth tee from 10:00 am to 2:30 pm.

A handwritten signature in black ink that reads 'Rick Price'.

Here are some benefits of becoming an annual member.

Unlimited driving range privileges.

Receive 25% off Pro Shop apparel and 10% off accessories, equipment, shoes, hats, and golf balls (excluding sale items).

Members receive a complimentary guest pass for a round of golf on their account.

Annual memberships may split their payment and pay half in July the balance in October.

The virtual 10-Play Smart Cards are available for residents who do not live here year-round. This virtual prepaid card offers ten rounds of golf at a discounted rate.

Thank you for enjoying all the activities at the Club and we look forward to you joining us for the 2021-22 season.

### **GOLF CART POLICY**

The Views Golf Club golf cart policy is two players per golf cart. Single players should be prepared to share a Views Club cart. We pair golfers up to share a golf cart according to starting times booked. Cart rental is a per-seat charge.

Because of the lack of availability of golf carts, we cannot provide single rider golf carts. You may walk or rent one of our four single-rider scooters. However, please do not book a tee time if you are uncomfortable riding with someone else in a cart.

If you have a private golf cart, you may continue to ride as a single. However, we encourage you to partner up for less wear and tear on the golf course. Only two carts will be allowed in the fairway or rough. Any additional carts in the group must always remain on the cart path the entire hole.

### **TEE TIME RESERVATIONS**

Thank you for checking in and being ready to tee off a minimum of 10 minutes before your scheduled tee time. The early arrival to your starting time helps keep us on schedule throughout the day, leading to a good pace of play and an enjoyable day on the course.

If you have less than four players and would like no one else to be paired with your group,

you are welcome to pay for the entire foursome at the public rate to reserve the space.

It is also the person's responsibility to book the starting time to communicate these procedures to all golfers in their group in advance before arriving at The Views Golf Club.

### **PRACTICE FACILITIES & DRIVING RANGE TEE**

**DRIVING RANGE** - Open sunrise to sunset except on Thursday the range closes at 3:30 PM. Range balls can be purchased from 6:00 AM - 5:00 PM daily. Driving range cards are available to purchase for \$180 (20) large buckets or \$350 (50) large buckets.

**PRACTICE PUTTING GREEN** - The green is available for putting and chipping and knee height or less.

**SHORT GAME PITCHING AREA** - The short game area features two practice chipping greens and a bunker between the 1st tee and 9th green at the bottom of the hill.

Note: The short game practice area is for members, residents, and paying guests only. If someone wants to use the practice area that is not a member, resident, or paying guest, the fee is the same as a large bucket of range balls and purchased in the Pro Shop.

### **RANGE BALLS AND RANGE BASKETS ARE THE PROPERTY OF SCOV**

In order to serve our members, residents, and outside guests in the best way possible, we are asking all golfers who use the practice facilities to leave all range balls, and range baskets at the practice area. This will ensure that we always have the proper equipment available.

As the season quickly approaches our facilities will be used more and more. If you do not hit all your practice balls, simply leave them on the range with the basket and someone from our staff will gladly pick them up.

Also, a reminder that our range closes at 3:30 PM every Thursday for a clean pick, and volunteers are always welcome to help. Thank you for your cooperation and we wish you well in your practice!

### **FINN SCOOTERS**

We have four Finn Scooters available to rent. They are easy to ride with a low center of gravity, and the lightweight aluminum frame makes it a well-balanced ride. If you can ride a bike, you can ride a Finn. Renting a scooter is easy through a downloading the Finn Scooter app. The cost is \$25 for 18 holes and \$14 for 9 holes. This fee is additional to the golf rate and is charged right through the app when registering to use the scooter.

### **MERCHANDISE & SALE**

We have selected items of merchandise on sale at 50%. We look forward to assisting you to find the perfect gift or items you are looking to purchase. All members receive 25% off

## GOOD STORY

Our members having amazing moments at The Views Golf Club!

Marjorie Wischer, 84, is a long-time member at The Views and a member of the 18-hole ladies' league. Everyone who gets the chance to play with her loves her. It is a privilege to even be around her vibrant, cute, and hilarious self.

Everyone is always rooting for Margie as it is for sure that she is a secret favorite among many of us... That is why many of us were especially excited for her on Friday, October 15<sup>th</sup> when she teed it up with the French Friday Fry group. Margie went into it like any other day just happy and excited to be playing another round of golf with friends. Crazy enough what happened next, I don't think anyone was ready for! On hole number 7 at The Views signature hole, Margie tees up her 5 wood and knocks it straight into the hole! She was so excited she didn't know whether to laugh, scream, or cry so she did a bit of it all! She was especially excited because she has had a hole-in-one before! But she claims that it never actually counted because she was playing alone. Therefore, to have a repeat when she least expected it, she still just simply can't believe it!

So, we are so beyond happy for Margie to have had this amazing moment. We are all so thankful for Margie's wonderful energy that she brings to the golf course and the

inspiration that she is to others. A big congratulations to Margie!!!
